KB Home Insurance Agency

When you find the right home, you know it. We think you should feel the same way when you select homeowner's insurance. The choice is easy for KB homeowners – **KB Home Insurance Agency.**

No one knows what kind of protection you need more than KB Home, the company that built your home. An industry leader with more than 40 years of experience, KB Home Insurance Agency is the right choice for you.

The Protection You Deserve

Your homeowner's policy protects your home and personal possessions from these hazards:

- **Theft**
- **Fire**
- **Vandalism and malicious mischief**
- **Water damage**
- **Windstorm**
- **Hail**
- **Lightning**
- **Explosions**

Not only is the cost to replace your dwelling and personal property covered under the policy, but if your home is rendered uninhabitable due to a covered loss, we will pay for the additional living expenses that you incur while your home is repaired or rebuilt. You will also receive personal liability insurance, which protects against bodily injury or property damage suffered by your guests, neighbors or hired tradespeople.

See policy for actual coverages and descriptions. Exclusions and limitations apply.

Full Replacement Cost on Contents

A standard homeowner's insurance policy only replaces your personal property up to its actual cash value at the time of loss. This can mean that after a few years of use, your TV, appliances, carpeting and other furnishings may have no coverage at all.

Replacement cost on contents coverage replaces your damaged personal property up to the actual replacement value. This means, for example, that if your old television is destroyed, we will reimburse you for the cost to replace it with a new one of like kind and quality, not just for its depreciated value at the time of loss.
